Praise Thy God, O Zion

Psalm 147:12

The heavenly Zion, the final abode of the Redeemed, is symbolized by the crown of glory, the palms of victory and the stars of heaven. The colors are usually shown with the outline of the symbol, the rays and the stars in gold; the background a heavenly blue; the palms green; the crown, gold and the jewels in it, red.

We Dedicate this Anniversary Booklet and all of our Anniversary Observances

TO THE GLORY OF GOD Who had done "exceedingly abundantly above all that we can ask or think accordingly to the power that worketh in us, THEREFORE, unto Him be glory in the church by Christ Jesus throughout all ages, world without end. Ephesians 3:20, 21

**AND TO THE FAITHFUL,
GOD-GIFTED PEOPLE**

Pastors and pioneer men and women - our founders, our builders, our laborers, who through seventy-five years of our congregation's history have lived with us, worked with us, worshipped with us, and who through faith in Jesus Christ have finished their course here on earth and have entered the Church Triumphant.

OUR FOUNDERS who by the grace of God had FAITH and a pioneer courage to begin in our midst the preaching, teaching, and hearing of the Word.

OUR BUILDERS in building of His Church had HOPE and confidence that He would continue to bless them in their humble endeavors for growth.

OUR LABORERS who had been motivated with TRUST in the Lord, looked forward with optimism and progressiveness, so that we may yet today remain steadfast in the Christian Doctrine and have the privilege on our 75th Anniversary to say, "The Lord has done great things for us; whereof we are glad." Psalm 126:3

PRAISE THY GOD, O ZION - Psalm 147:12

Our Anniversary Prayer

O Heavenly Father, Creator, Establisher and Provider of all things;

O Blessed Jesus, Redeemer, Friend, Savior and Lord;

O Holy Spirit, Sanctifier and Author of every good word and work;

We bless Thee, We glorify Thee, We give thanks to Thee for Thy great goodness!!!

1998 marks our 75th Anniversary as a congregation gathered around Word and Sacrament here at Zion. The 75th wedding anniversary is called the "Diamond Anniversary." Diamonds, of course, are among the most precious of stones. For 75 years, God, in His mercy and grace has given to the members of Zion something much more precious than diamonds. The Lord has given us the precious Word of salvation, publicly and faithfully proclaimed. For 75 years, God's people at Zion have been comforted by the precious words from God like these: "By grace you have been saved through faith; And this not of your own doing; It is the gift of God. It is not by works, so that you cannot boast." (Ephesians 2:8-9).

That is the precious Word of assurance that is ours in the Scriptures. Words like those have comforted our ancestors here in this area.....and they comfort us today.

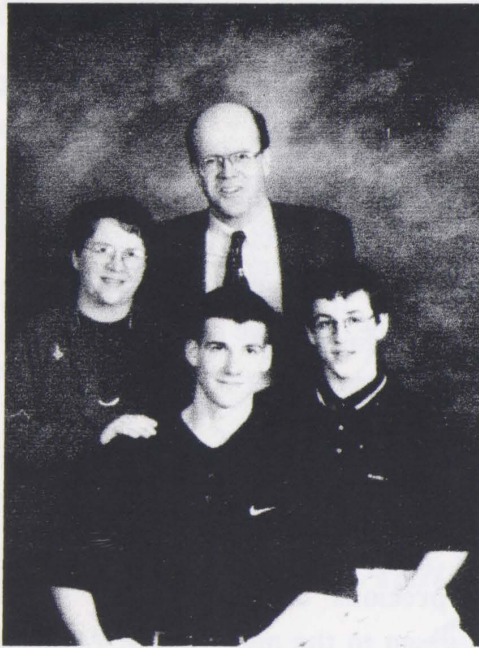

The Sacraments, too, are God's gift which give us a hope more precious than diamonds. In Baptism, we are brought into God's family, rescued from sin, death, and Satan. In Holy Communion, we are forgiven and strengthened in our faith amid life's trials and troubles. What precious jewels of hope and comfort God has given us for 75 years here! How blessed we are to know that these jewels of faith, the Word and the Sacraments, will continue to comfort and uplift us through all times, good and bad.

As we celebrate our Diamond Anniversary, then, we say with Moses, the writer of the oldest Psalm: "Lord, You have been our dwelling place through all generations!" That is, was, and always will be our Lord's promise.

God's blessings to you as you celebrate the Diamond Jubilee Anniversary of Christ's grace among us here!

History of Zion Lutheran Church

Zion Evangelical Lutheran Church of Ellendale, North Dakota was organized May 20, 1923. The first chairman of the congregation was Mr. George Banse. He and a few other Lutherans in Ellendale had gone to the Rev. Paul L. Kluender of Albion Township with the request that he help them organize a Lutheran Church here.

The Rev. Paul L. Kluender
1922 — 1923

Pastor Kluender accordingly preached his first sermon in the rented Presbyterian Church in Ellendale on November 18, 1922. Later this same Presbyterian Church was purchased and served as our church until 1954. Soon after Pastor Kluender started to conduct services here, the congregation rented the Norwegian Lutheran Church in the south part of the city. Here services were held on week-days, since Pastor Kluender's Sunday schedules were too full to permit him to have services also in Ellendale on Sundays. Pastor Kluender was called to Melrose Park, Illinois in 1923. He preached his farewell sermon in Zion Church April 1, 1923 - on Easter Sunday.

Pastor Kluender had organized Bethlehem Lutheran Church at Forbes February 4, 1923. After Easter the Forbes congregation called Pastor Theodore Klatt from Kulm, North Dakota. Pastor Klatt then served the congregation in Ellendale, and organized the congregation May 20, 1923. He was installed in the rented Norwegian Lutheran Church by Pastor A.G.

Merkens of Leola, South Dakota.

CHARTER MEMBERS

Mr. and Mrs. George Banse - Mr. Ed. Jeske
Mr. Christian Nishek - Mr. Adolph Hiepler
Mr. Fred Kirshner - Mr. August Schultz
Mr. and Mrs. R. H. Trosin - Mr. and Mrs. John Fetzer

The charter members of the congregation were: George Banse, R. H. Trosin, Adolph Hiepler, Sr. Fred Kirschner, Jacob Schneck, John Kosel, Julius Olek, Henry Grubb, Ed. Jeske, Christian Nishek, August Schultz, August Fetzer, and John Fetzer.

Mrs. George Banse

Of the original 13 founding fathers only the wife of George Banse is living and still affiliated with Zion today.

August Nishek

Only member of the first confirmation class in 1923 that is still affiliated with Zion 50 years later.

Some of these people had been members of Christ Lutheran Church, Albion Township, and received their release from that congregation to organize the church in Ellendale. An interesting experience is told of the Adolph Hiepler family.

One Sunday they were on their way to the Albion church in their Model T Ford, when a connecting rod burned out. Determined to go to church that Sunday morning, the boys pulled on their overalls, put in a new connecting rod which they had been carrying as a spare, filled the crankcase with oil, and continued on their way, arriving just in time to hear the pastor say "Amen" to his sermon.

The Rev. Theodore Klatt
1923 — 1924

The first Elders were Friedrich Kirschner and August Schultz. Mr. George Banse was the first Treasurer, and Mr. Adolph Hiepler, Sr. was the first Secretary. Mr. Hiepler served as secretary from the time of the founding of the congregation in 1923 to 1936, a total of 13 years. He passed to his eternal reward in 1938. The oil painting of Christ above the altar, as well as the crucifix in our first church were presented to the congregation as a memorial in memory of Mr. Hiepler. The oil painting now hangs in our new church in the entrance by the office.

All the minutes from the beginning till 1936 were recorded in the German language. On June 30, 1924 the congregation was incorporated as the "Deutsche Ev. Lutherische Zionsgemeinde". Later, in the year 1928, the name translated into the English language: "Zion Evangelical Lutheran Church." At first German services were conducted exclusively. But already in 1924 there were a few English services. The arrangement at that time was: one English and three German services a month, all of them in the afternoon. The collections from the English

services covered the rent of \$2.00 a month which was paid for the use of the Norwegian Lutheran Church.

On June 8, 1924 Pastor Klatt received his release from this parish and accepted the call to Sumner, Iowa, where he later died.

The congregation was now without a pastor for some time, but was served by Pastor John Brandt of Albion Township. On February 8, 1925 the Ellendale and Forbes congregations decided to call another pastor. The call went first to Rev. Arnold H. Grumm of Garrison, North Dakota: but he declined it. Then the call went to Rev. B. F. Cordes of Sidney, Montana. He also returned the call. Finally, the Forbes congregation alone called Pastor H. Teske, who accepted the call. Now Forbes had a pastor, but Ellendale did not. So, the Ellendale congregation asked Pastor J. Brandt of Albion Township to continue to serve as vacancy pastor. This he did with the help of Student E. H. Becker, who is now pastor at Salem, Oregon. Soon, however, Pastor Carl D. Eifert of Hecla, South Dakota was asked to help as vacancy pastor. In 1927 Students Becker and G. Hinck conducted the mid-week Lenten services in Ellendale. Student Hinck was the son of Pastor T. Hinck, first pastor at Albion, but at this time serving our church at Great Bend, ND.

The Rev. Herbert J. Teske
1927 - 1927

On March 20, 1927 the congregation called Pastor H. Teske from Forbes. Pastor Teske accepted the call and was installed in Ellendale on Palm Sunday, April 10, 1927 by Pastor Eifert. However, Pastor Teske still made his residence in Forbes. Zion Lutheran Church became a

member of the Missouri Synod in 1927. Mr. George Banse attended the District convention at Binford near Hankinson, North Dakota June 22-28, 1927 and signed Synod's constitution in the name of the congregation. Pastor Teske received a call to Bourdon, Missouri and was granted his release from Ellendale on August 29, 1927. He has now retired from the ministry and resides in St. Louis, Missouri.

On October 6, 1927 the congregation decided to buy the church and parsonage from the Presbyterian Church for \$2,750. Repairs to the extent of \$250 had to be made on the church; therefore the congregation, without any funds in its treasury whatsoever for the purpose of buying the property, borrowed \$3,000 from the District Church Extension Fund to take care of the matter. Mr. Paul Meyer, Treasurer of the District at that time was asked to come to Ellendale to draw up the proper papers. In the same year, the account was transferred from the District to the General Church Extension Fund of the Missouri Synod. The entire debt was paid off in the year 1945.

The Rev. W. E. Rohe
1927 - 1930

On October 23, 1927 the parish called Pastor W.E. Rohe from Tyler, North Dakota. He was the first Lutheran pastor to live in the parsonage at Ellendale. He was installed December 4, 1927 by Pastor Eifert. In December of 1927 Ellendale, Albion and Forbes formed one parish. Pastor Rohe served his congregations faithfully, often going from one place to the other on horseback. It is said that on one Sunday morning he arrived in Forbes at 8 o'clock, and then rested in a blacksmith shop there till his people came to services.

**1st church 1922-1954
1st Parsonage 1927-1967**

In 1928 the congregation received an organ as a gift from our Lutheran Church at Hankinson, North Dakota. In the same year the congregation received the altar from our Church in Waterloo, Iowa, and a pulpit from our Church in Aberdeen, South Dakota. In the same year there was discussion about digging a basement for the church. It was decided that the members would do the work themselves, and would meet on a specified day. Whoever could not help with the work was to pay 50 cents an hour for the time required to complete the project. However, nothing was done until 1946, when a full basement was built under the church. The Ladies Aid rendered valuable service in furnishing and decorating the basement. The recitation benches in the basement were a gift of the local State Normal and Industrial College.

On February 28, 1929 it was decided to paint the church and the parsonage. On June 6, 1929 a cement sidewalk was laid from the church, and another from the parsonage to the city sidewalk. The newly purchased church was dedicated November 17, 1929. Speakers for the occasion were the Rev. C. Eifert, German; the Rev. H. VonGemmingen, German; the Rev. J. E. Timian, English. The envelope system was introduced in 1930. In the same year Pastor Rohe received a call to Albany, Minnesota. He was given his release in a meeting held September 25, 1930. Later he died at Popple Creek, Minnesota. When Pastor Teske left Forbes in 1927, Pastor Rohe also served that congregation till 1930. When Pastor Rohe left, the Albion congregation became self-supporting and called its own pastor, the Rev. H. E. Wians.

**The Rev. A. F. Vomhof
1930 - 1941**

Pastor A. F. Vomhof was then called by the Ellendale and Forbes congregations in the fall of 1930. He came from Gwinner, North Dakota. The tenth anniversary of the Ellendale congregation was celebrated May 21, 1933. Speakers for the occasion were the Rev. J. P. Klausler of Hankinson, North Dakota and the Rev. C. Eifert of rural Hecla, South Dakota.

The office of Finance Secretary was called into being in 1933, and Walter Hiepler was elected as the first to fill the office. From 1927-1932 two German and two English services a month were held in Ellendale. The German services were held in the morning and the English services in the evening. But by 1938 English services were held every Sunday morning with a second morning service in German twice a month. In 1936 the congregation bought a new organ. A Pulpit Bible was given the congregation by Mr. and Mrs. L. E. Merrick in remembrance of the day of Confirmation of their daughter, Lois.

In 1936, after Pastor Wians had been called away from Albion, Pastor Vomhof began to serve also this congregation as vacancy pastor. Soon, however, he was called as regular pastor, and continued to serve Ellendale, Forbes, Coldwater and Albion. He received assistance from a number of candidates while he served this parish, among them M. W. Vomhof, Reinhold Arndt, Walter Streicher, D. R. Boernke, Walter Biel, and Alvin Mack. Pastor Vomhof personally paid the salaries for the first two candidates and gave them free room and board in the parsonage. The next two received \$17.50 a month while Pastor Vomhof paid the balance of their salaries, room and board. The last two received a small salary from the

congregations, while the major portion of their salary came from Synod's Candidate Fund. In 1939 the parishes were again rearranged: Forbes and Coldwater forming one parish, and Albion and Ellendale another parish. Pastor Harold Braun was called to serve the Forbes-Coldwater parish: and Pastor Vomhof continued to serve the Ellendale-Albion parish.

In 1940 after 10 years of faithful service, Pastor Vomhof accepted a call to Lester Prairie, Minnesota. He preached his farewell sermon January 30, 1941. He passed away in 1965.

The Rev. Edwin M. F. Jording
1941-1950

Pastor J. Meyer of Monango served a short time as vacancy pastor until the Rev. Edwin M. F. Jording was called from McClusky, North Dakota. He was installed March 16, 1941 as pastor of the two churches in Albion Township and Ellendale by the Rev. J. Meyer. He preached his first sermon here March 23, 1941.

In 1942 a fire started in the parsonage, however, the city fire department was able to extinguish it before too much damage was done. Nevertheless, the congregation had to rebuild the back porch and pantry, and redecorate the entire parsonage after the fire. In 1941 the entire parsonage had been remodeled on the inside, and a full basement had been built. In the spring of 1943 inside of the church was completely redecorated. "Nu-wood" was used to cover the ceiling and walls, two small arches were built on either side of the main altar arch, and both the church and the parsonage were painted on the outside. The work cost the congregation about

\$900. In addition the Ladies Aid had four new light fixtures put into the church at a cost of \$75. The pews were completely altered, so that the church had a center aisle, instead of a double aisle.

In July of 1945 Pastor Jording declined a call to Holland, Minnesota and in December of the same year he declined a call to Popple Creek, Minnesota. When, in 1946 the congregation dug the basement under the church, a new furnace was also installed. This work was not completed till the spring of 1947.

On November 17, 1946 Pastor Jording preached the first sermon at Barnard, South Dakota. On April 27, 1947 this small congregation was organized as Zion Lutheran Church.

On July 20, 1947 our Zion congregation received a Baptismal Font from Trinity Lutheran Church at Steen, Minnesota. The Sunday School paid for the transportation of the Baptismal Font to Ellendale.

At a parish meeting held in our Zion church August 11, 1947, twenty-one Bible study groups were formed in the Ellendale-Albion parish. A "Key" family was appointed by each of the 21 groups once every two weeks. The "Key" family met with the five families in its group for a discussion of the Bible lesson studied. The pastor met with the "Key" families, and also with one or two of the family groups each time.

At a quarterly voters meeting on October 2, 1949 it was resolved to start a building fund for a new church.

After 9 years of faithful service, Pastor Jording accepted a call to Beemer, Nebraska and preached his farewell sermon at Zion on July 10, 1950. The Rev. W. A. Busse of Bethlehem Forbes then served as vacancy pastor.

On January 1, 1948 the congregation numbered 315 souls. 193 communicant members, 40 voting members. During the first 25 years (1922-1947) 185 baptisms were performed, 134 were confirmed, 75 weddings were solemnized, and 39 Christian burials were given.

On November 23, 1950 plans were presented and accepted to farm 155 acres as "Acres for Christ", the proceeds to be added to the new church building fund.

The Rev. Clemens H. Mehl
1950-1957

In August of 1950 a call was issued to the Rev. Clemens H. Mehl of Wimbledon, ND. He declined the call due to the requirement in the call to preach German. The congregation on receiving back the call voted to eliminate the German from their service and chose to call Pastor Mehl the second time. This time Pastor Mehl accepted, and was installed as Pastor of Zion on December 3, 1950.

On October 21, 1951 a permanent building committee was elected.

During 1951 and 1952 the "Acres for Christ" project was carried out with Mr. Jacob Fey as captain. The grain harvested was sold and the proceeds given to the Building Fund. The seed and labor were all donated.

A contract was drawn with Architect Gerald Buetow, St. Paul, in March, 1953. In the spring of 1953 (April 18th) two lots were purchased from Harry Bjornstad for \$2,500. Henry Heuther of Ashley, ND was hired as contractor to build the church at an estimated cost of \$125,000.

After Mission Festival services, on June 7, 1953, the congregation gathered on the new building site for Ground Breaking ceremonies, led by Pastor Mehl. Each member of the building committee turned over a shovel of ground marking the beginning of the new church. Excavating with a bull dozer, volunteered labor by church members began on June 15, 1953. On several days volunteers poured concrete to form the basement walls. The LWML circles served dinner to the workers on those occasions.

On September 27, 1953, a cornerstone service was held with the Rev. W. Cordts of Hankinson, President of the North Dakota District Lutheran Church-Missouri Synod, as guest speaker. Several items were placed in the cornerstone by various members of the congregation. The items were: The Holy Bible, hymnbook, Luther's Catechism, the Church's Constitution, the history of the church including a list of the officers and members, a copy of the Dickey County Leader, a copy of the Lutheran Witness and a list of members and officers of all church organizations.

The last services in the old church were held on April 11, 1954 and from April 16 of that year (Good Friday), services were conducted in the church parlors of the new building.

Zion Lutheran Church

One of the greatest days in the history of Zion Lutheran congregation came November 14, 1954 when dedication services were observed with two former pastors, the Rev. Edwin M. F. Jording and the Rev. A. F. Vomhof, as guest speakers. The estimated attendance at the dedication services was between 2,500, and 3,000. The women of the church had purchased a 900-pound steer with which they served dinner to approximately 1,200 following the morning service.

Our Zion Lutheran Church, located at the corner of 2nd Ave. and 2nd St. S., stands as a monument to the vision and untiring effort of the entire congregation, but particularly of the 11-man building committee and the pastor, the Rev. Clemens H. Mehl.

Members of the building committee were John A. Gebhardt, chairman; Alex and Henry Steinwand, Ralph Redlin, Herbert Dathe, Max Beecher, Fred Kalbus, Adam Rudolf, Leon Burroughs, Jacob Fey and Walter Hiepler, the latter becoming a member when E. L. Kurth left the city. Earl Redlin as chairman of the congregation was an ex-officio member of the committee.

First monthly and later nightly meetings became the pattern as the tempo of planning and eventual construction quickened.

From the committee, the responsibility filtered down to other members of the congregation who did a large percentage of the actual work. Pastor Mehl said it was difficult to estimate the actual percentage of the donated labor, but the contractor, Henry Heuther of Ashely, calculated the saving in money between \$40 and \$50,000. Actual construction of the building is estimated at \$150,000.

The architect for the structure was Gerald Buetow of St. Paul, whose father Max was one of the designers of the present Dickey county court house. George White of Aberdeen supervised the interior decoration and Bob Lee of Jamestown was in charge of the bricklaying.

The building itself represents the best functional modernism linked with more traditional church architecture.

As one approaches the front entrance of the church - his attention is immediately drawn to the redwood cross above the entrance. Below the cross and over the entrance carved deeply out of redwood - are the words - PRAISE THY GOD, O ZION. - Ps. 147:12b

On the left side of the front entrance we note three symbols: **A CROSS**, (This is a "Latin Cross" and is also known as the "Plain Cross". It symbolizes redemption.), here symbolizing Christian FAITH. **AN ANCHOR CROSS**. (This is a combination of the Latin Cross and an anchor. It originated with the early Christians in the Catacombs and probably has for its basis Hebrews 6: 18,19. It is the symbol of Christian HOPE. **A HEART**. (The heart has ever been regarded as the center of the impulse to aid those in need.) It symbolizes Christian Charity or Love, taken from 1 Cor. 13:13; 1 Cor. 16:4; and 1 Peter 4:8.

On the right side of the front entrance are also three symbols, that of the Holy Trinity: **God the Father** - the symbol, is the creating, blessing **HAND OF GOD**- with only the thumb and the first two fingers extended, suggests the words of the psalmist (98:1): "His right hand, and his holy arm, hath gotten him the victory." **God the Son** - the symbol is the Lamb of God (Agnus Dei),

THE LAMB STANDING, no longer wounded, bears a long, very slender cross, suggesting the victorious nature of His sacrifice. **God the Holy Ghost** - **THE DOVE** is the symbol of the Holy Spirit (Mark 1:10). The dove, depicted with a three-rayed numbus, is in a descending position to recall the day of Pentecost (Acts 2).

Double doors at the front entrance (south) open into the narthex or entryway with steps leading up to the main level of the nave. The narthex, in turn, opens into the nave through a second set of double doors, flanked by windows which can be opened. (50 people could be seated in the narthex) in case an over-flow crowd should have to be seated there.

One of the most striking items of construction are the huge, laminated-wood arches, which rise directly from the floor to the apex of the ceiling, supporting the roof in a manner which places almost no weight on the side walls. The space between the arches and walls on the inside of the building form side aisles in the nave. A third aisle is formed between pews down the center.

Another unique feature of the main-floor construction is the manner in which staggered windows on the north end of the church permit the chancel and altar to be illuminated by outside light without making the source of the light visible from the main floor of the nave.

A large oak cross, 14 by 6½ feet in size, is suspended over the eight foot angle shaped oak altar, flanked by wrought iron 7 light candelabra, and the communion rail (wrought iron symbols of wheat and grapes in communion rail, refer to the wheat for the bread and to the grapes for the wine) form the base of the altar triangle, with the pulpit and lectern located on either side near the rail.

The front panel of the oak pulpit has carved in it the symbol for ZION. It is also the symbol for heaven and eternity. The heavenly Zion, the

final abode of the Redeemed, is symbolized by the crown of glory, to be given to the victors, the palms of victory, and the stars of heaven, symbolic of the fact that the righteous shall shine as the stars forever and ever (Is. 4:2,3).

A wrought iron symbol of **THE HOLY TRINITY** is fastened to the front of the lectern. This is a symbol for God the Father, God the Son and God the Holy Ghost. They are represented as being equal parts of a triangle whose sides are all equal. As the triangle would be incomplete without one side, so the Holy Trinity is incomplete unless we worship all Three persons, Father, Son and Holy Ghost.

The baptismal font stands at the entrance of the chancel, because a child by Baptism is received into the Holy Christian Church. The symbol of the Holy Spirit is carved on the two front sides of the font in the forms of doves, signifying baptismal regeneration.

A work room and library is to the west of the nave toward the front of the church and a working sacristy leads to the pastor's study which is located in the east wing of the church.

The choir loft is located at the rear of the nave in the form of a balcony, which will seat about 75 persons. The console of the Allen organ is in the balcony. The organ was purchased in December 1956 at a cost of \$6,150.00. The organ was dedicated during a special service on March 24, 1957. Professor T. A. Beck of Concordia Teachers College of Seward, Nebraska was the guest organist. The nave of the church will seat approximately 415. The nave, balcony, narthex and library room off the nave will seat about 550.

The ceiling of the nave is a pre-finished wood paneling, while all other woodwork in the building has been done in oak with varying finishes. The double-paned windows are of amber glass at the ends and of rose colored glass on the sides.

Zion Church parlors

The church parlors of the church consists of a large 29 by 70 foot auditorium with a stage at the south end, a kitchen, boiler room and six Sunday school rooms.

The Sunday school rooms line the west side of the church parlors and resemble broadcasting studios with glass-paneled doors, picture windows and acoustic tile ceilings. Acoustic tile, lines the ceilings of the entire building, with the exception of the nave. The Sunday school rooms are also equipped with combination cork and chalk boards.

The oil-fired furnace, located off one of the Sunday school rooms, is a hotwater system which heats the church parlors via low velocity warm air circulation and the nave by baseboard radiation.

The spacious kitchen at the north end of the church parlors features large serving doors opening into the kitchen, plus a similar return door opposite a large double sink. Twelve wall-mounted cabinets, equipped with sliding racks, provide storage for dishes and utensils, and accompanying counters yield ample working space.

The kitchen is equipped with 2 electric stoves, a refrigerator and deep freeze. Numerous convenience outlets will allow for addition of other small appliances if necessary.

The rest rooms are located near the foot of the stairs on the east side of the church parlors.

The floors throughout the structure are covered with asphalt tile in various colors to match the surrounding decor. The church parlors have a gray and green mottled color and has several shuffleboards molded into the design.

The stage at the south end of the church parlors has several spotlights focused on it from various angles, as does the chancel in the church. With the exception of the nave, lighting through the building is of the instant-starting fluorescent light. Semi-indirect incandescent fixtures illuminate the nave.

The church is 118 feet long, 42 feet wide, and 74 feet at the crossing, when including the work-room on the west side and the pastor's study on the east.

The 7½x7½ ft. tower, topped by a foot spire, rises upward to 50 feet. It is capped with a Plain cross overlaid with copper, which silently remains all who are attracted to it that Christ and His cross are proclaimed in this edifice.

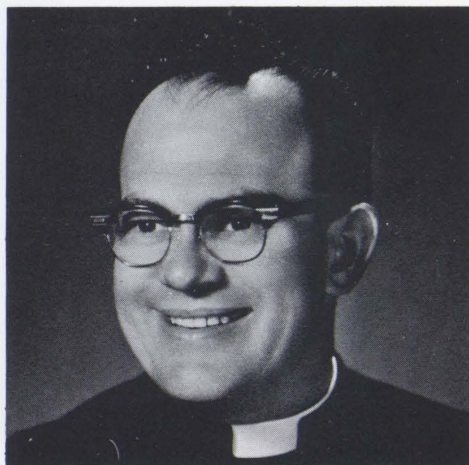

-PRAISE THY GOD, O ZION-

With the spacious facilities of a new church, 1955 was the year that Zion was host to the State Convention of the North Dakota District of the Lutheran Church-Missouri Synod.

In 1956 Zion LWML was host to the North Dakota District of the Lutheran Women's Missionary League Convention.

After 6½ years of faithful service, Pastor Mehl requested and received a peaceful release to accept a call to Peace Lutheran Church of Kansas City, Mo.

Pastor Huber of Oakes was asked to serve as vacancy pastor. During the vacancy and under the leadership of Mr. and Mrs. Victor Steinwand, Zion Walther League hosted the State Walther League District convention.

The Rev. John F. Bollmann
1957 - 1963

The Rev. John F. Bollmann of Kensal, ND was then called as pastor. He accepted the call and was installed as pastor of Zion Lutheran on October 20, 1957.

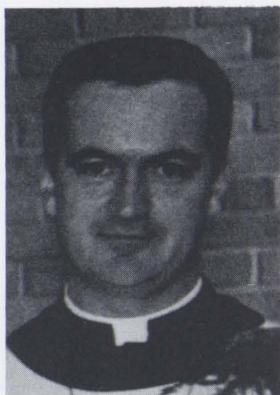

During his ministry at Zion he also served Christ Lutheran of Albion Twp. as pastor.

It was during the ministry of Pastor Bollmann that a new individual communion set was purchased; that laymen were used to assist the Pastor in the distribution of the Lord's Supper; the old church was sold; the Wednesday worship and visitation program was begun at the Rest Homes; The board of Elders was enlarged; and the Board Christian Education was instituted.

On August 18, 1963, Pastor Bollmann preached his farewell sermon, having accepted a call to become pastor of Nazareth Lutheran Church in Chicago, Illinois.

The Rev. Frank Wesselius of Bethlehem-Forbes was asked to be vacancy pastor.

It was during the month of January in 1964 that the LWML purchased the carpeting for the chancel and a runner for the center aisle of the church.

The Rev. Ronald W. Seitz
1964-1967

The Rev. Ronald W. Seitz of Kinnear-Dubois, Wyoming was called to be pastor of Zion. He was installed on January 26, 1964, by Pastor G. Giese. He also served Christ Albion until its closing in the fall of 1965.

During 1965 the congregation paved the boulevard around the church; accepted the new Concordia Pension and Welfare Plan; purchased a cemetery lot with 8 graves; and Pastor Seitz served St. Paul's Lutheran of Monango as vacancy pastor.

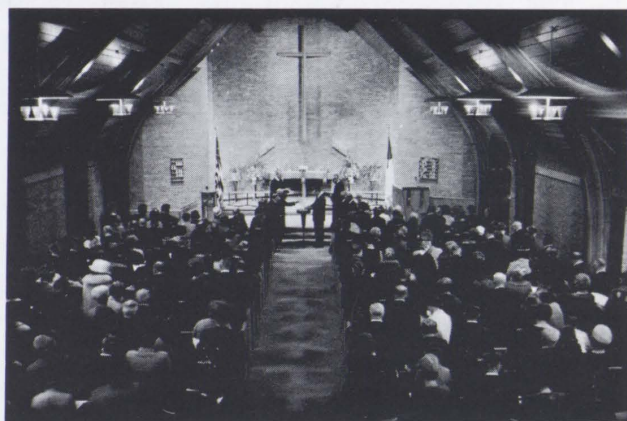

In 1966, 12 families, 36 communicants were received into membership from Christ-Albion; Vicar John Rische was installed and helped serve Monango and Ellendale until August 1967; two communion services a month, the 1st and 3rd Sunday, were begun.

In 1967 six men were named to a building debt retirement committee: Calvin Dathe, Adam Rudolf, Robert Bymers, Charles Podoll, Lee Roeszler and Leon Burroughs. The church debt at the time was \$13,000.00.

Pastor Seitz preached his farewell sermon on May 21st having accepted a call to Emmaus Lutheran Church in South Bend, Indiana.

The Rev. Theodore E. Allwardt, Sr., of St. John's-Oakes was asked to be the vacancy pastor.

During the vacancy of 15 months much was accomplished - the vacant lots west of the church were developed into a parking lot; the LWML observed its 25th anniversary; the Walther League conducted an Ambassadors for Christ program;

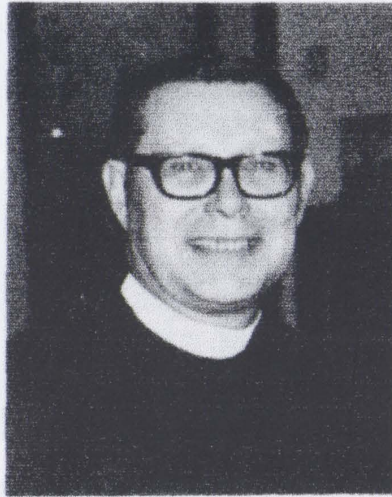

Mortgage Burning Thanksgiving Service

in a years time (January 1967 to January 1968) \$13,000.00 was raised to wipe out the debt of the church; a special Mortgage Burning Thanksgiving Service was held on January 28, 1968, the Rev. C. H. Mehl, was the guest speaker; five men were elected to serve on a new parsonage building committee: Dr. E. Bolliger, Emil Retzlaff, Adam Rudolf, Carl Simmons and Alex Steinwand; the old parsonage was sold to Mr. and Mrs. Woodward; the congregation purchased a house from Lynn Hausmann as its new parsonage.

New Parsonage

In April and May, calls 8, 9 and 10 were sent out - they all came back. On July 5th, the 11th call was sent to the Rev. Theodore H. Vogel, in Sisseton, S. Dak. On August 2nd, the prayers of Zion were answered when Pastor Vogel accepted the call. He was installed as the 10th pastor of Zion, on September 1st, by the Circuit Counselor, the Rev. Arnold L. Lueker of Zion-Edgeley.

The Rev. Theodore H. Vogel
1968 - 1973

The Rev. Theodore H. Vogel of Emanuel Lutheran Church, Sisseton, SD accepted Zion's call to be their pastor on August 2, 1968. He was installed on September 1, 1968 by the Circuit Counselor, the Rev. Arnold L. Lueker of Zion - Edgeley.

During his pastorage many changes and innovations in the work and worship were made. Thanksgiving eve as well as Thanksgiving Day worship services with the chancel decorated with fruits of the field; LWML Service of Prayer together with our congregations from Forbes, Albion, and Monango; a big help to distribute bulletins and church mail to the members of Zion is our system of "mailboxes", one for each family; the finance committee was reorganized with one committeeman responsible for some 40 - 50 communicants; a Graduation Recognition and Youth Baccalaureate Sunday Morning Worship Service for all High School and College graduates of Zion - this service has become most meaningful to our youth.

The voters assembly adopted "Guidelines for the Use of the Church Parlors"; all women of the congregation are included in the membership of the LWML and are encouraged to take an active part.

In 1970 the congregation resolved that no gift or memorial given should bear the name of the donor or the person honored. All gifts and memorials are to

be recorded in a "Book of Memorials"; a Lenten Cross was made from the previous year Christmas trees. A Tenebrae - "Service of Darkness" held with six laymen of the congregation delivering 6 of the meditations; a new automatic carillon was installed in our bell tower; the bell from our old church was sold in July 1967; one of the changes in our congregation's constitution is that the President and Vice-President are elected from the Board of Elders.

The year 1972 was a year of preparing for the 50th Anniversary of Zion - various committees were selected or appointed.

While at Zion Rev. Vogel helped to organize AA and Al-Anon groups in Ellendale. It was also at his urging that the first set of handbells were ordered.

In April 1976 he preached his farewell sermon having accepted a call to Zion Lutheran Church at Mitchell, SD. Since then he has served congregations in Hutchinson, MN, Pearsall, TX, Devine, TX, and San Antonio, TX. On August 3, 1997, Pastor Vogel was honored for 50 years of Holy Ministry at Immanuel Lutheran Church, San Antonio, where he is presently serving.

Pastor Tassler served as vacancy pastor until Rev. Leo Deitemeyer accepted the call to come to Zion.

The Rev. Leo R. and Eunice Deitemeyer,
Mary, Timothy, Matthew, and Christina
January, 1977 - October, 1995

Rev. Leo R. Deitemeyer was extended a call in the middle of November, 1976, at Trinity, Sheboygan, Wisconsin. He, his wife Eunice, two sons, Timothy and Matthew, and baby daughter, Christina, moved to Ellendale, ND that winter. He was installed at Zion Ellendale in January, 1977, where he so faithfully served until October 29, 1995. While here at Zion, the Deitemeyers were blessed with a fourth child, a daughter, Mary, born in April of 1981.

During his ministry here at Zion, there were so many memorable events. In 1979, the congregation celebrated the 25th anniversary of its present church building, a beautiful place of worship built at a reasonable cost, since many hours of labor were donated by the members. As part of the 25th anniversary of the building, it was decided to establish a thankoffering fund which, over a three year period, would raise \$25,000. This money would eventually be used to make improvements on the existing church building. The money, invested in high-interest CD certificates, grew rather nicely over the next several years.

It was during this time discussion focused upon some effort to create an easy access to our church facilities for those physically limited. A ramp fund was eventually started which received special gifts, a couple bequests, memorial monies, and the like. This money, together with the thankoffering money, made it possible to add our new entrance on the east side of the church building.

This addition included a ground-level entry; a handicapped accessible bathroom; an elevator serving the ground-level entry, the basement, and the nave; a secretary's office; a basement classroom; and an "upper room" classroom. This proved to be a beautiful addition complementing an excellent church building and offering an easy access to our church for those physically limited. This addition was dedicated on June 22, 1997. Mertz Construction served as the general contractor for this project.

The old front doors had been peeling, rotting, and sagging. It was apparent that the time had come to replace them. A number of choices were considered. Finally some real "Lutheran" doors were agreed upon. These doors were made out of oak planking with a window featuring Luther's Coat of Arms superimposed over a cross. Mertz constructed the doors, and his wife prepared the beautiful stained glass windows. These doors were installed in the fall of 1988.

Music has played a major role in Zion's worship services. Its initial set of handbells was expanded to two octaves in 1983. Since that time, the congregation has regularly assembled a handbell choir which has not only played for worship services, but also for events in the community.

Increasing problems and service work on our old tube-model Allen organ led to the decision that a new organ was needed. A bequest of \$30,000 from the Hoermann family estate, as well as other generous

gifts, made it possible for the old organ to be replaced. The organists, a couple executive officers of the congregation, and the pastor spent time investigating new organs, as well as rebuilt pipe organs. Finally, the selection was made - a Rodgers combination electronic/pipe organ. This organ features the versatility of electronic technology and the authentic sounds of four ranks of pipes. After the balcony was refurbished with new thermopane / reflective glass windows, the new organ was installed. It was dedicated to the Lord's use on April 17, 1994. Its features make it one of the finest organs in the area.

Christian education remained a strong commitment during the past quarter century. The Board of Education, along with parents, discussed and agreed to adding a third year to our confirmation program (grades 6, 7, and 8). This three-year program was implemented in 1980.

In the fall of 1983 our confirmation classes prepared and presented a play entitled "Martin Luther." For ten weeks our LWML circles took turns serving Wednesday suppers to our confirmation students making it possible for them to remain for an hour's play practice each Wednesday.

A year or two later (1988), the confirmation classes prepared a second play portraying the life of Johann Sebastian Bach. Again, the circles assisted with the evening meals. A special thanks goes to Caroline Fiechtner who helped us learn the necessary German words, towns, and songs.

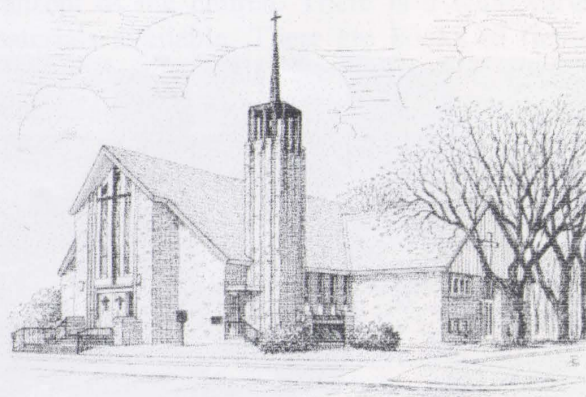

It was back in 1985 that a Friday afternoon Bible class, complete with coffee, was hosted in the community room of the 32-plex. This weekly class led by the pastor was well received by the rather large group of members residing in the apartments at that time, as well as by others who joined us for our study.

The years were not always friendly for the farmers. During the dry cycle of the "80's", it was often wondered why people would even attempt to farm the prairie "desert." The most severe year of the dry cycle came in 1988 - a real drought! That spring, farmers did their seeding in huge clouds of dust that often darkened the sky, reminiscent of the 30's. The moisture did not come that year, just hot, dry winds, day after day. A few who took their combines out to har-

est that year reaped less grain than what they had seeded in the spring. That year our Thanksgiving message was entitled: "Rejoicing in the Lord in the Hard Times," based on the text from Habakkuk 3:17 - 18. The sermon concluded with these words: "We've lost the crop. We may lose the herds. We may lose the farm. Why should we be thankful? We've still got the greatest resource of all - we've got our God. Let's rejoice in Him, even in the hard times!"

It was just before the harvest in one of those years in the early 1990's that a severe hail storm moved through the area, particularly south of Ellendale somewhere near the North Dakota/South Dakota border. It destroyed crops and damaged buildings for some ten families of our congregation. Again and again the Lord helped farmers climb out of these difficult times. Even in the midst of all these hard times, the Lord graciously sustained our church community.

The old entry to Zion bore an appropriate inscription for God's people here at Zion: "Praise Thy God, O Zion!", and it is still appropriate now on our 75th Anniversary.

Zion Lutheran Church Sunday School Program

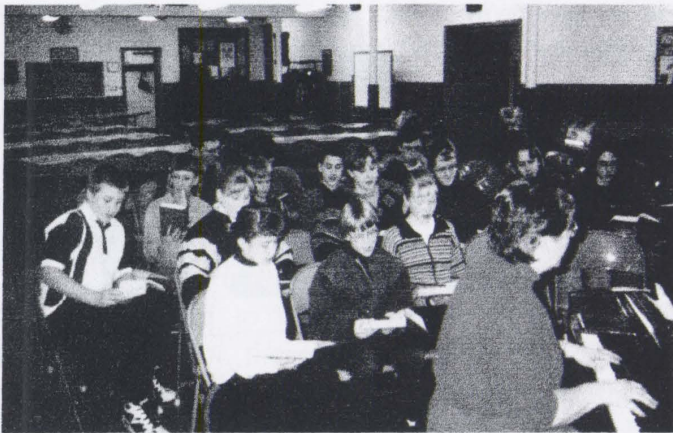

Since the study of the Bible is a life-long endeavor for Christians, Zion Lutheran offers a Bible study group for all ages. We start with Pre-school through 8th Grade who meet on Sundays following worship service, beginning with a time for music and then proceeding to their individual classrooms. This group takes part in our worship service several times a year with group singing and bringing us a beautiful Christmas Service every year.

After Confirmation, the high school youth have their own study group. This is a fun group who spend times learning how Christian youth deal with all the pressures that are presented to them as they grow up. They meet in our "upper room" on Sundays following worship service and there are usually doughnuts available for snacks.

As adults, the Bible study continues as the Adult Bible Class. There is coffee and doughnuts following worship service and lots of good discussion. We often begin by discussing some of the past week's top news stories and how they might affect us, as Christians. Besides studies of various Biblical leaders and events, we often review other religions and cults and learn how to combat their efforts by strengthening our knowledge of the Bible and specifically, the teachings of the Lutheran Church - Missouri Synod.

Come join us as we grow in Christ together.

LYF

The Lutheran Youth Fellowship (LYF) is Zion's organization for the high school youth. They meet on Wednesdays twice a month during the school year. During this hour they hold devotions and discussions, and plan fund-raisers and activities. A fun activity is organized for each month.

One of the highlights for the LYF group has been to attend the LCMS national youth gatherings. These are held every 3 years. Our members have attended conventions in San Antonio, TX, Washington, D.C., Denver, CO, New Orleans, LA, and Atlanta, GA. Approximately 40,000 youth and counselors are in attendance each time.

As fund raisers the LYF serves brunches and dinners, have bake sales and cookie sales, holds car washes and sells Christmas cards.

Other activities the youth enjoy are camp-outs, hay-rides, roller-skating, bowling, and a Christmas party.

Each December the group decorates the church Christmas tree and the sanctuary. They also help with the ushering. As a youth group they try to become involved and serve Christ in many ways.

At present there are 25 members. The officers are: President - Tom O'Neill, Vice-President - Tim Beckius, Secretary - Heidi Trautmann, Treasurer - Amanda Maly, Advisor - Pastor O'Neill, Assistant - Sherry Maly.

May God bless and keep our youth as active Christians throughout their lives.

Vacation Bible School

One of the most exciting weeks which we experience every year at Zion is our week of Vacation Bible School. This is the one week out of the year our church bursts with activity - Bible lessons, devotions, songs, crafts, skits with puppets, videos, and recreation to name just a few of the varied and many things that are part of the week. Every year's Vacation Bible School continues that good tradition, buzzing with a lot of good learning activities for our boys and girls of pre-kindergarten age through 8th grade.

Our Vacation Bible School enrollment has succeeded in enrolling 100% of the eligible children of our congregation. We are also pleased to have a lot of guests join in our week of VBS.

Our closing activities for Vacation Bible School is combined with our Sunday morning worship service. Our students participate in the service through songs and class presentations.

Following the Sunday Service our Vacation Bible School students visit the Nursing Center and share some of their songs with the residents.

Church Library

The Church Library is located in the northwest transept of the church. There is a wide variety of materials available. There are books of fiction for adult readers as well as children. There are audio materials and many video tapes that can be checked out and viewed at home.

The library is divided into categories to facilitate use. Some sections include Bible study materials. These include a commentary, a concordance, and a Bible dictionary. Another is teaching aids. These include Teachers Guide and Student Guide to Bible classes, as well as materials that can be reproduced for use in Sunday School. Church History is another category. One of the more interesting items here is a pictorial history of the Building Project. Devotional material comprises another section.

As you can see there is a wide variety of materials available for all ages and interests in our Church Library.

Zion Ladies Aid - 1926-1952

Zion Lutheran Women's Missionary League - 1952-1998

Zion Lutheran Women's Missionary League is an active educational and service organization in the church. The mission of Zion LWML is to meet the spiritual need of each woman; to encourage, inspire and motivate everyone to use the unique gifts given by God, and to love one another as they serve.

The organization had its beginning as the Ladies Aid which was organized at the home of Mrs. E. A. Muske on April 15, 1926. The first officers were: President, Mrs. Julius Olek; Vice-President, Mrs. Kanopatski; Secretary-Treasurer, Mrs. Adolph Hiepler, Sr. The collection at the first meeting amounted to \$3.75. On August 11, 1927 the Ladies Aid presented the congregation with Communion vessels. In 1948, 22 ladies were members of the Ladies Aid. This group of ladies has made many substantial donations towards liquidation of the church debt, installing light fixtures in the church, furnishing the altar rug, Communion vessels, and in general acting as handmaiden to the congregation.

In May 1952 the Ladies Aid became a member of the North Dakota District of the Lutheran Women's missionary League. A new constitution was written and accepted in December 1952. In June 1953 there was a reorganization into a Parent Aid with four circles.

In 1970 a new constitution and by-laws were drawn up and adapted. The name of the society was changed to "Zion Lutheran Women's Missionary League." All women who were communicant members of Zion Lutheran Church were now included in the membership of five circles.

At present there are six circles. Circle 6 is the Young Mother's Circle which was organized in January 1995. Each circle meets once a month for Bible study, business, fellowship, and lunch. All circle members are also members of the General Assembly which meets six times a year. Current officers of the General Assembly are: President, Sharon Aman; Vice-President, Lorraine Pahl; Secretary, Janet O'Neill; Treasurer, Luella Zinter.

The circles take turns serving funerals and other church events and visiting the nursing homes in Ellendale twice monthly for devotions. Each circle is also assigned some of the numerous projects of the LWML both locally and throughout the the world building the Kingdom of the Lord.

LWML - Missionary Service

One of the Mission Service projects that Lutheran Women are noted for is the Lutheran World Relief Support. Among these is quilting. We are proud of the quilts made by the women - about 250 each year. They are given to World Relief, Orphan Grain Train, and to our graduating Senior High School students.

Quilting begins in September, with a break for the holidays, and resumes in January for about 2 months. One day each week is dedicated to quilting. The fabric comes from donated items of clothing, etc. Thread is purchased with money that is donated.

Another Mission project is donated clothing and furniture to the Dakota Boys Ranch outlet store. One of their trucks is filled each year

when they pick up. The Orphan Grain Train also picks up clothing and other items to go into containers being sent to Russia and Africa.

In September, when the school supplies go on sale, the women of LWML purchase and donate these items to be placed in School Bags. The School Bags are sewn and filled, then sent to Lutheran World Relief for the children of the world. About 35 bags are filled each year. Other items such as health kits and layettes are also prepared and sent to LWR.

Without your help it would be impossible to complete all these projects. With your donations of material, time, and money - we may prayerfully continue this service to our fellow man.

Lutheran Laymen's League

The Zion Lutheran Laymen's League was organized March 16, 1951 under the leadership of Frank Fischer, Edgeley, President of the North Dakota District Lutheran Laymen's League, with Edwin Kurth as its first president. The objectives are, briefly, to encourage greater lay missionary activity, Christian stewardship and education, and to develop efficient church workers.

In 1952, 50% of the congregation was enrolled in the roll call membership drive. Activities sponsored by the LLL are: seminars, films, Lutheran Hour, Boys Ranch, tracts, vocal and instrumental groups. The membership in 1952 was 42.

Tables, coat racks, church signs were projects of the LLL. The book cases which houses the church library was built in 1955, and the steel cabinet for the Sunday School was presented in 1962.

Since September 30, 1967 the Zion LLL as a local club has been transferred to inactive status.

The South Central Zone hosted the State Convention in Ellendale in February 1988.

There are approximately 15 members who continue to sponsor the ministries and 8 individual donors who also support with special donations.

With the technology of the 90's the International LLL has been expanding its coverage world wide with many doors opening to be filled. The motto: "Bringing Christ to the Nations and the Nations to the Church" is a big challenge as the LLL tries to fill the great Commission of making disciples of all nations. Matthew 28:19-20

Aid Association for Lutherans Branch 1406

The AAL Branch 1406 at Zion Lutheran Church consists of approximately 230 members. The purpose of the branch is to participate in benevolent, educational and social activities that benefit themselves and/or others and also to take part in the corporate and insurance affairs of AAL by electing national directors. To be a member of a branch, you must have a certificate of membership in AAL, the largest fraternal society since 1958, providing fraternal benefits and financial security to Lutherans.

Some of the activities held throughout the year are monthly meetings, Confirmation Recognition, Just Say Thanks, bowling or card parties, various educational activities, hosting the Lenten Service coffee hours, and usually several Helping Hands Benefits that assist either specific people or *not-for-profit organizations in our church or community*. In times of need, our members are right there to help and their efforts are very much appreciated by the recipients. The branch encourages its members, both young and old to come and volunteer with us!

Bible Classes

Men's Breakfast Bible Class

At 6:45 A.M. on Tuesday mornings, a group of men from Zion can be found at the Nodak Cafe studying God's Word. Each Tuesday, this group meets with the Pastor to discuss portions of the Bible in which they have indicated interest. Since this Bible Study group began, we have studied topics such as the parables of Jesus; the Book of Revelation; Old Testament Heroes of the Faith; the Book of Job; and many other topics of interest.

This Bible class provides time for breakfast after Bible study, and it is a way for the men of the congregation to be "in the Word" before beginning the work day. Typically, between 5 and 10 men have attended this early morning opportunity for study of God's Word.

Bible Class at the 32-plex

Each Friday at 1:30 P.M., residents at the 32-plex gather with friends from town to study the Scriptures under the Pastor's direction. A one-hour time frame is used to introduce and discuss a wide range of Biblical books and topics. Through the years, this group has studied the Christmas and Easter stories in an in-depth manner. Other topics have included prayer, the Book of Genesis, the Epistle of Paul to the Romans, as well as various other social issues which are addressed in the Scriptures.

We at Zion thank the managers and residents of the "32-plex" for making it possible for 10 to 15 residents of that facility and from our community to study God's Word together. Truly, this Bible study opportunity has been a blessing to all concerned.

The Organ

The Rodgers combination electronic / pipe organ was purchased from Valley Music, Grafton, ND and installed in August, 1993. It was dedicated on April 17, 1994. Jonn Nordwall of the Rogers Organ Company was the organist.

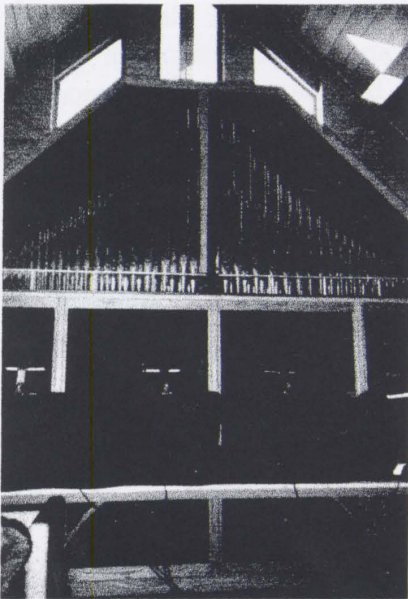

The impetus for the purchase of this type of organ was provided by a gift of \$30,000 left to the church by Miss Anna Hoermann who specified that the money was to be used to purchase a pipe organ. Subsequently, the family allowed the money to be used to purchase the rank of pipes housed in the wind chest in the balcony of the church. The balance of the money was given by various donors with a major gift from Andrew Michaelis.

The organ can be played solely as a pipe organ, an electronic organ, or a combination of both pipes and electronic. The organ has four memories in which to save registrations. Each memory can hold 20 different registrations at one time. In addition, the organ is equipped with a memory card that will allow an additional 640 pre-set registrations to be used. This card also allows an organist to use the same pre-set registrations on another Rodgers organ by simply inserting the card into that organ, thus eliminating the need to set registrations each time a piece is played on

another organ.

A MIDI (Musical Instrument Digital Interface) has been added to our organ which gives the added beauty of the life-like sounds of other musical instruments and sounds. The MIDI has a total of 317 different sounds and voices. Organists can pre-record music selections and store them on a 3 1/2" floppy computer disk for permanent retention and then play them back as needed. Pre-recorded disks can also be purchased. Organists can use up to 15 different sounds on one recording by recording the same piece 5 times. Each time the piece is recorded, different sounds are used and "layered" over the previous recording (s).

A metronome is also incorporated into the MIDI which allows musicians to practice using proper timing. All in all, our organ is a wonderful and exciting instrument and it is a great joy to be able to play it for the worship of our Lord and God.

Choir

Psalm 47:6-7

“Sing out your praises to our God, our King. Yea, sing your highest praises to our King, the King of all the earth. Sing thoughtful praises!”

The purpose of Zion's choir is to praise the Lord in song and to lead others to a deeper appreciation of the rich heritage of our church through song.

The first choir was organized during the time of Pastor Jording with Mrs. L. E. Merrick as the director. Earlier a small group of members sang as a choir during the time of Pastor Rohe and Pastor Vomhof's ministries.

Members of the first organized choir were: Wayne Merrick, Warren Merrick, Gladys Schmidt, Ella Steinwand, Christine Nelson, Dorothy Steinwand, Esther Schaller, Mable Schaller, and Celia Roeszler.

The following have served Zion as either Jr. or

Sr. Choir directors: Mrs. L. E. Merrick, Mrs. O. A. Finney, Mrs. Kermit Larson, Mrs. Earl Redlin, Barbara Redlin (Jr. Choir) and Mrs. Victor Steinwand. Mrs. Vic Steinwand is the current choir director and has served in that capacity for over 35 years.

During the late 70's Mrs. Steinwand organized the first Brass Quartet to accompany hymns during the festival seasons. The first members were: Sherry Maier, Mike Steinwand, Lonnie Bertsch and Victoria Steinwand. Since then different groups have performed under the direction of Mrs. Leo Deitemeyer, Mrs. Dennis O'Neill, Ron Smith and Mrs. Victor Steinwand.

Psalm 98:5

“Sing your praise accompanied by music from the harp. Let the cornet and trumpets shout! Make a joyful symphony before the Lord, the King!”

"Make a Joyful Noise to the Lord, all the Lands....",
 Psalm 100:1

The Zion Handbell Choir began in 1976 when one octave of Schulmerich handbells was purchased at the urging of Pastor Vogel. Mrs. Earl Redlin directed the Junior Choir's use of the fine instruments.

A second octave was added in 1983 with memorial money, bringing the number of bells to 25.

Two handbell choirs were organized - a Junior Choir consisting of students in grades 7 & 8, and a Senior Choir consisting of older students and adults. Each choir had 8 players and were under the direction of Ron Smith.

The choirs performed at regular church services, festival services, Christmas Concerts at the school and Community, and at the Nursing Center.

In 1987, the Senior Choir attended a handbell workshop at Valley City and participated in the concert that evening. They have also performed in the Community Christmas Concert with the Festival Choir, as well as with a harpist.

At present there is only the Senior Choir which practices at 8:00 P.M., Wednesdays. The director is Marilyn Burow. Two members, Della Pomplun and Jeanette Robb-Ruenz, have been ringers since the choir was organized.

Anyone is welcome to be a member of the group.

The Living Nativity

The "Living Nativity" depicts the birth of Jesus, in words and actions, as prophecied and presented in the Scriptures.

On December 25, 1993, members of Zion Lutheran Church of Ellendale presented for the first time, "The Living Nativity" in a barn at the former Don Wilbur farm south of the City. This tradition has been carried out since. Two performances are presented each time. The barn is usually inhabited by animals such as donkeys, goats, and cows with calves. Approximately 100 people from the community attended the first presentation.

For . . . the blessing which in 75 years You did bestow on the 347 wedding couples whose union was sanctified before Your altar in the Word of God and prayer. "Marriage is honorable in all." Hebrews 13:4

Stained Glass Windows

The congregation's love for the Lord and the beautification of His church was evidenced when the decision was made in 1996 to replace the old windows with new stained glass windows.

The following themes were selected: Praying Hands, The Cross, The Resurrection, The Crucifixion, Communion, Baptism, The Nativity, Cross/Bible, Noah's Ark, Law and Gospel, All Saints, The Trinity, The Hand of God Creator, The Lamb of God, and The Holy Spirit.

The new windows were dedicated along with the new addition and sound system on June 22, 1997.

1923 --- 1998.....and into the future...

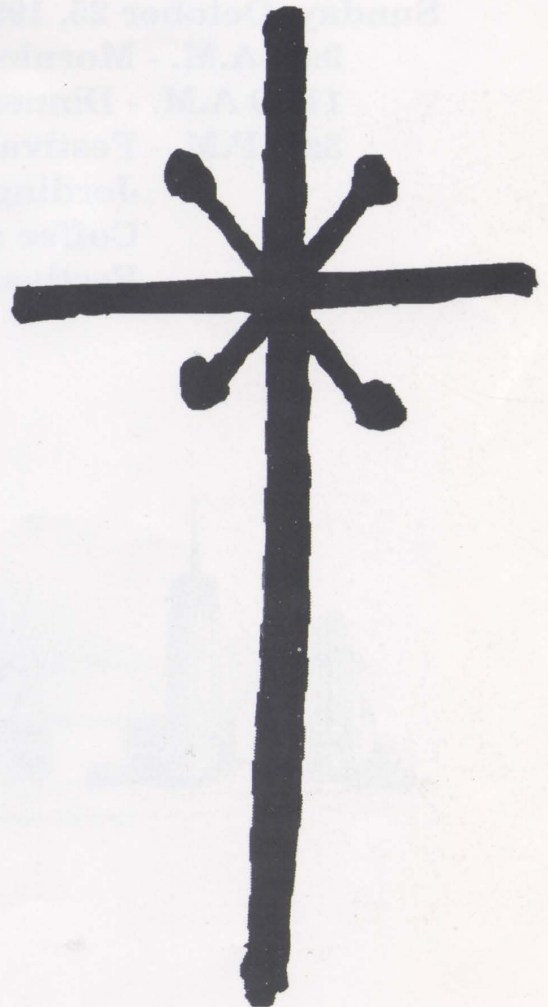

As we look at the changing face of rural America in 1998, there is a reason for concern. We see how the rural population is decreasing. There are so few farms in our area now, in comparison to days gone by. What does this mean? Does it mean that our congregation may not survive much longer?

I would like to suggest that we here at Zion not worry about what the next years might bring for our Congregation. The Lord's Word and Sacraments have strengthened us through difficult times in the past, and they will do so in the future. God's Word remains true: "I WILL NEVER LEAVE YOU NOR FORSAKE YOU." He will preserve the pure preaching and teaching of the Word here. He will make sure that the Sacraments are properly administered here.

I would also like to suggest that we not be saddened by the fact that so many of our young people have left this area, with little or no hope of ever returning. This is not all bad! Think of all the young people, taught and trained and nurtured in the Lord here at Zion, whom we have sent out into other parts of the nation and world! King Solomon said in the Proverbs: "TRAIN UP A CHILD IN THE WAY THAT HE SHOULD GO; AND WHEN HE IS OLD, HE WILL NOT DEPART FROM IT." Several generations of young people have been trained in the Christian faith here at Zion. Hopefully..... prayerfully, they have taken that faith into all walks of life. What a blessing, for all of us at Zion to have been a part of that.

Perhaps our area will continue to shrink in population. Perhaps more will leave our area. But, the sure and certain promise of salvation by grace, through faith in Christ will not change or shrink. We will continue to send people out into all walks of life after training them in the Christian faith here at Zion. For that, we should be truly thankful! For that, we should say with Paul as we begin our second 75 years: "REJOICE IN THE LORD ALWAYS! AGAIN, I SAY REJOICE!"

Rev. Dennis B. O'Neill
